

Notices/Announcements – July 22, 2020

Mount St. Francis Retreat Centre is pleased to welcome back the public to our grounds and facilities. Feel free to **walk the grounds and visit the outdoor Stations of the Cross anytime**. Please be mindful that washrooms are only available during opening hours.

Our centre is open from 8:30 am to 4:30 pm Monday through Saturday, unless other arrangements are made. Following the guidelines for proper physical distancing provided by the Health Authorities, the current number of people permitted in the building at any one time is 15. We request that those entering the building wear a mask and sign-in in the event that contact tracing is required by Alberta Health Services. Regrettably, no refreshment or food service will be available. Access to the chapel is limited to 7 guests at one time for private prayer.

Following the guidelines provided by the Diocese of Calgary, individuals are requested to go to their own parish to celebrate the Eucharist. **If you wish to celebrate the Eucharist with the Friars**, please call ahead to ensure there is space because seating in the chapel is extremely limited.
